

POWER OF READING

Based on the belief that success in school and in the workforce depends on developing good reading skills early, Tennessee has a comprehensive reading initiative designed to promote the educational success of Tennessee's children and ensure that every child has the opportunity to succeed in school.

Human services/education and training programs are contributing to this initiative. Through human services/education and training classes and FCCLA projects, students are reading to our youth and promoting literacy during the early years of life.

*Email Applications to **Christina.Isong@TN.gov**. Only email submissions will be accepted.*

DIRECTIONS FOR APPLICATION

1. Briefly describe below, in 200 words or less, how The Power of Reading was implemented in your chapter.
2. Send or email pictures of activities with the application for recognition at state leadership conference.
3. Please print or type.
