Welcome to the 2021 Virtual State Leadership Conference!

On behalf of the Tennessee Department of Education, Division of College, Career, and Technical Education, we would like to welcome you to the 2021 Virtual State Leadership Conference platform. The 2020-21 Executive Council and Conference Management Teams are excited to “see” you during the conference!

As you venture through the virtual platform during our LIVE conference dates, be sure to keep an eye out for our “United” logo to be entered to win prizes! This week, members elect a new Executive Council, attend sessions at the Leadership Academy, network with educational and business stakeholders, and be recognized for their achievements through competitive events and volunteer service. Although we are virtual, we challenge each member to take advantage of this opportunity to engage with others from across the state, enhance your leadership skills, and continue to excel in your competitive events. Your experience here will provide you with knowledge, real-world experiences, and leadership training opportunities that will continue to prepare you for your future endeavors.

During the Virtual State Leadership Conference, be sure to share your experiences and interact with our executive council by following and tagging us on social media! We hope you enjoy the conference and cannot wait to see how your leadership and service will continue to shape the future of Tennessee! We wish each of you the best of luck and look forward to seeing you represent Tennessee at the 2021 FCCLA National Leadership Conference this summer!

Thank you to all advisers, state officers, conference staff, alumni, business and industry partners, higher education partners, and judges for your assistance and dedication to our members.

Thank you,
Christina Isong
State Adviser
