

POWER OF READING

Based on the belief that success in school and in the workforce depends on developing good reading skills early, Tennessee has a comprehensive reading initiative designed to promote the educational success of Tennessee's children and ensure that every child has the opportunity to succeed in school.

Human services/education and training programs are contributing to this initiative. Through human services/education and training classes and FCCLA projects, students are reading to our youth and promoting literacy during the early years of life.

Email Applications to Pamela.Sieffert@TN.gov. Only email submissions will be accepted.
